STEP 1: DESCRIBE IT – SHARE YOUR VISION

"IT WAS THE PERFECT WAY TO KICK-START OUR PROJECT AND IMMEDIATELY HELPED ESTABLISH TRUST IN THE COMPANY AND THEIR CAPABILITIES."

"When we were looking to build our dream home, we needed a builder who we trusted and one that would listen to our needs. Walking into our first meeting with 41 West, otherwise known as the Idea Session, we didn't really have a clear idea of what we wanted to do yet. The meeting drew out things I never even thought of in terms of how I wanted to use certain spaces in the house! **The "My Home Ideas" document was really helpful in preparing me for the initial meeting - I'd definitely recommend others to take a look at it before their Idea Session.**

The knowledge, experience and creativity brought to the table by the entire 41 West team during the meeting was incredible and so helpful.

By the time we left our Idea Session, I knew 41 West was the right builder for us - they cared about answering questions and addressing our concerns.

It was the perfect way to kick-start our project and immediately helped me establish trust in the company and their capabilities."

STEP 2: DESIGN IT – CONCEPT PLANS

**"ANY FUTURE HOME I
NEED BUILT OR
RENOVATED WILL
ONLY BE HANDLED
BY 41 WEST. THE
TRUST WE
ESTABLISHED IS NOT
EASY TO FIND AND
CANNOT BE
REPLACED."**

"The Concept Plans phase was really exciting because this is when the project started to come to life. We reviewed our wish list with 41 West and went through inspiration photos I had picked out ~ I was amazed at all the possibilities!

Together, we worked to establish a more concrete scope of work. I was so impressed with 41 West's attention to detail and their ability to provide solutions! Every time we started to feel a bit overwhelmed, their expertise and knowledge came through ~ we trusted and relied on them to guide us in the right direction ~ this collaborative dynamic continued throughout the entire project. Any future home we need built or renovated will only be handled by 41 West. The trust we established is not easy to find and cannot be replaced."

STEP 3: APPROVE IT – FINAL PLANS & SELECTIONS

"ALWAYS SO RESPONSIVE
AND MAKING SURE
EVERYTHING WAS
CLEARLY EXPLAINED
WHICH HELPED US FEEL
AT EASE AND TRUST
THAT 41 WEST HAD OUR
BEST INTEREST AT
HEART."

"The Final Plans & Selections phase is when our dreams and ideas really began to take shape. 41 West made sure that the plans and schedule were exactly aligned with what we had discussed in terms of vision, budget and timeline.

Their design expertise and innovation astounded us every step of the way. We were also really appreciative of how well they communicated with us - always so responsive and making sure everything was clearly explained which helped us feel at ease and trust that 41 West had our best interest at heart.

Deciding on all of the design elements, big and small, was a lot of fun! There were lots of decisions to be made and we relied on 41 West's expertise to help us decide. They also acted as our advocate during this time, to make sure we were getting the best product on the market at a fair price. The whole experience was 5-Star from beginning to end, we wouldn't change a thing in our dream home!"

STEP 4: BUILD IT – THE MAIN EVENT

"WE COULD NOT BE
HAPPIER WE PLACED
OUR TRUST IN 41
WEST. THEY WENT
ABOVE AND BEYOND
AND DELIVERED ON
EVERY PROMISE
MADE."

"We LOVE coming home to our beautiful 41 West designed and built home! It was such a pleasure working with the entire 41 West team. Everyone in the organization is incredibly professional and extremely responsive.

Personal service and strong attention to the client and details are hallmarks of the 41 West construction experience. They were with us every step of the way.

It has been an absolute pleasure working with such devoted, conscientious, professionals with expertise in their specific fields. The whole team sets the tone for excellence and this level of dedication carries through the project. Our Project Supervisor was on site every day, making sure the subcontractors were starting and finishing on time and doing everything properly. We so appreciated their commitment to perfection. We could not be happier that we placed our trust in 41 West. They went above and beyond and delivered on every promise made."

STEP 5: LOVE IT – HAPPILY EVER AFTER

"IT WAS VERY REASSURING KNOWING WE COULD TRUST 41 WEST TO PROVIDE PROACTIVE, CREATIVE & TIMELY SERVICE AT EVERY STAGE OF THE PROCESS."

"When we decided to purchase a plot of land and build our new family home, I "shopped" around and met with other builders, but decided to build my home 41 West based on the advice they provided and their well-known reputation in the area.

We received the very best of attention from all of the employees at 41 West throughout the entire project. They laid the "slab" and before we knew it, we had a new home!!!

I should also mention that we only had time to visit the site on a couple of occasions so it was very reassuring knowing that we could trust 41 West to provide proactive communication and timely service at every stage of the process. We love our home and would highly recommend 41 West to anyone considering building or remodeling a home.

The quality of workmanship left nothing to be desired and still to this day they are in contact with we ensuring that any minor issues are sorted out."
